

Year-end reporting provides critical data to measure your practice performance during the past year. To make the most of your year-end data you'll want to understand your financial position, review your performance, set your goals, and make plans to execute.

We've created a checklist to help ensure your practice covers all of the reporting bases when closing out this year.

Not sure how to complete an item? Check out the End of Year Tips for eVetPractice document [here](#) for detailed instructions.

- [Total Sales Report](#)
- [Accounts Receivable Report](#)
- [Inventory Counts Report](#)
- [Increase Prices Report](#)
